

## Lecture 2 - 17/09/2019

7:05 - Prof still isn't here.

7:09 - Prof has arrived in a spectacular fashion.

7:10 - Hes fucking francophone.

7:12 - Prof is FUCKING REALLY REALLY NUTS

Midterm is chapter 1-5 in the textbook.

There's a school shooter in the corridor.

Its deer hunting season?

Apparently we're the deer and the school shooter is the hunter?

Worlds worst segue to "this is what we do in business."

I think he's going down a racist path. This is going to be good.

WE HIT THE RACIST SHIT.

There is no criminal pardon/expungement in your record. We suspend criminal records. It doesn't get erased but until another crime is committed you can't have that record used against you. When you regulate society you have to decide how its done.

Canada has anti-lobbying laws. An organization can only put in so much money to support a leader in an electoral situation.

Business are required to hire based off morals and hire moral employees.
